

ImajiNAYSON:

Character Building through
Regenerative Community Action
and Narrative Change in Haiti

Led by FOKAL's community of practice comprised of smallholder farmers organizations, young adult leaders, community activists, scholars, artists and practitioners. The initiative leverages FOKAL's 25 years of engagement in local communities in Haiti.

3 YEAR PILOT INITIATIVE

- Community Engagement/Leadership Development Program Connecting Urban Youth to Productive Rural Communities
- 13 Episode Edutainment Radio Drama to Promote Good Character and Positive Narrative Change

In partnership with Blue Butterfly, an educational media organization that supports local teams in the production of high-quality educational media.
